

OUR NURSERY

At Brite Plants, our skilled horticultural team doesn't just offer top-tier nursery services including quoting, contract growing, and reliable delivery. We go further. As both a registered Social Enterprise and NDIS provider, we're committed to creating meaningful employment opportunities for people with disability.

Brite Plants proudly employs more than 30 people with disability in meaningful employment, bolstered by our dedicated team of highly skilled staff.

As a customer of Brite, your social procurement impact will make a profound difference by empowering our people.

OUR MISSION

Empowering people by creating person-centred training and employment opportunities through innovative social enterprise, and driving change for an inclusive society.
