

Course Overview

Our "Introduction to First Aid Support" is aimed to help people with disability understand what role they could play in an emergency.

We work closely with the students to give them the confidence and knowledge of how to react, and what assistance they can offer

The course will cover the following topics:

- What is the role of the support?
- Personal Safety Card – I.C.E card
- How to help - Calling 000, assisting at scene
- Recovery position
- What to do - cuts, sprains, burns, blood nose, choking, bites
- Signs to look for - Stroke, heart attack, seizures, asthma, anaphylaxis, dehydration.
- CPR responsibilities
