

Course Overview

CHC33021 - Certificate III in Individual Support has been designed for those who intend to work in Aged Care (residential and community) who follow an individualised plan to provide person-centered care to people who may require support due to ageing or disability.

This course will train students, to look after an older person's care needs, support their individual health and wellbeing, follow safety procedures for direct care work and work effectively with the elderly. This course will provide the necessary foundations to embark on a care-giving career.

Certification

At the successful completion of this course, you will receive a nationally recognised CHC33021 Certificate III in Individual Support under the Australian Qualifications Framework (AQF).

Career Opportunities

Occupational titles may include:

- Personal Care Assistant
- Assistant in Nursing
- Community Carer
- Healthcare Worker
- Personal Care Worker
- Home Care Support Worker
- Aged Care Worker
